

# VANCOUVER IS READY, ARE YOU?

**FIFA WORLD CUP 2026™ IS ALMOST HERE!**

With less than 40 days to the world's biggest sporting event, Vancouver is set to deliver a World Cup experience like no other.

From iconic matchups at BC Place Vancouver to city wide celebrations, this summer belongs to soccer. Whether you're travelling from across the street or across the globe, here's what you need to know to plan ahead and enjoy your FIFA World Cup 2026™ experience.

## GETTING AROUND VANCOUVER

Vancouver is accessible, active and transit-friendly. During FIFA World Cup 2026™, the best ways to get around are walking, biking, e-scooters, ride-hailing, taxis and public transit.

- **Plan ahead on match days.** Transportation will be busy, especially on match days. Check road closures before you go.
- **BC Place Vancouver is easy to reach without a car.** The stadium is downtown and accessible on foot, by transit, bike or e-scooter. Parking will be very limited.

- **Biking is a convenient option.** Use Vancouver's extensive bike routes, plus the free bike concierge and valet at Main Street–Science World SkyTrain Station.
- **Bike share and e-scooters are available throughout the city.** Mobi Bike Share and Lime offer convenient pick-up and drop-off options.
- **Transit is best if you're coming from farther away.** Plan your trip with TransLink.

## MAKE THE MOST OF MATCH DAYS

The match day experience begins at Main Street–Science World SkyTrain Station and winds along the False Creek waterfront to BC Place Vancouver. The Match Day Spectator Route is open to both ticket holders and non-ticket holders four hours before kick-off on Vancouver match days. Ticket holders should start making their way from the Match Day Spectator Route and into the stadium at least one hour before kick-off.

Along the route, there will be something for everyone: mini pitches, live music and DJs, and best of all - it's open and free to enjoy. You can learn more here.

## FIFA FAN FESTIVAL™ VANCOUVER

Outside of BC Place Vancouver, the free FIFA Fan Festival™ Vancouver is the official hub for the FIFA World Cup 2026™ experience. Across 28 days, more than 70 FIFA World Cup 2026™ matches will be broadcast live. Join Vancouver's biggest watch party and see all the action, grab a local bite to eat, and check out performances by global and Canadian artists. Visit FIFA Fan Festival™ Vancouver for more information.

We recommend you arrive early and travel car-free. Parking is limited at the FIFA Fan Festival™ Vancouver, so plan for transit, walking, biking or ride-hailing and allow extra time for entry. There will be a free bike concierge and valet service, so you can store your bike worry free. # LEARN MORE ABOUT VANCOUVER AND BC

Vancouver's matches will be played on the unceded traditional territory of the x̱m̱əθḵw̱əy̱əm (Musqueam), Sḵw̱x̱w̱ú7mesh Úxwumixw (Squamish), and səliwətaʔ (Tsleil-Waututh) Nations. These lands are where the beautiful game meets a city that's nestled between mountains and ocean.
